

# MEET MOCHI

Petlad, Gujarat • +91 9033012319 • [mochimeet141@gmail.com](mailto:mochimeet141@gmail.com) • [LinkedIn](#) • [GitHub](#) • [My-Portfolio](#)

## PROFESSIONAL SUMMARY

Motivated MCA student and Full Stack Developer with hands-on experience building scalable web and mobile applications using the MERN stack, PHP/Laravel, and React Native. Delivered 6+ end-to-end academic and real-world projects covering social-impact platforms, enterprise tools, and e-commerce systems. Proficient in RESTful API design, database management (MySQL, MongoDB, Firebase), and the full software development lifecycle. Internship-verified professional with strong problem-solving, teamwork, and communication skills seeking a Software Developer / Full Stack Developer role.

## TECHNICAL SKILLS

|            |                                                          |
|------------|----------------------------------------------------------|
| Languages: | Java, JavaScript, Python, PHP, C                         |
| Frontend:  | React.js, HTML5, CSS3, Bootstrap                         |
| Backend:   | Node.js, Express.js, Laravel, REST APIs                  |
| Mobile:    | React Native (Android)                                   |
| Databases: | MySQL, MongoDB, Firebase Firestore                       |
| Tools:     | Git, GitHub, VS Code, Firebase Auth, Google Sites        |
| Concepts:  | OOP, DBMS, Data Structures, API Integration, SDLC, Agile |

## WORK EXPERIENCE

### Web Developer Intern | Unified Mentor

Apr 2025 – Jul 2025

- Engineered responsive web applications using React.js, PHP, MySQL, HTML5, CSS3, and Bootstrap, reducing UI inconsistencies by standardising component design.
- Implemented form validation, client-side optimisation, and cross-browser testing, improving page performance and UX across 3+ projects.
- Collaborated with senior developers via Git/GitHub version control, participating in code reviews, debugging sessions, and agile sprint planning.
- Gained end-to-end exposure to the SDLC — from requirements gathering through deployment — on real-world client-facing projects.

## PROJECTS

### Food Redistribution System — MongoDB · Express.js · React.js · Node.js

- Built a community-impact MERN stack platform connecting food donors with NGOs, featuring role-based authentication, donation management, and real-time request tracking.
- Designed responsive dashboards for donors and receivers; optimised MongoDB queries to support concurrent data operations with minimal latency.

### Attendance Management Mobile App — React Native · Firebase · Node.js · REST API

- Developed a cross-platform (iOS/Android) attendance tracking system for educational institutions supporting Present/Late marking and Firebase real-time sync.
- Built teacher and admin management modules with automated generation of class-wise, student-wise, and date-wise attendance reports.

### Cricket Auction & Live Score Management System — PHP · MySQL · JavaScript · HTML · CSS

- Delivered a full-featured cricket auction and live scoring platform with player bidding, team management, match scheduling, and dynamic scorecards.
- Designed an admin dashboard to manage auctions and tournaments, reducing manual record-keeping effort for event organisers.

**Billing Management System** — PHP · MySQL · REST API

- Developed an API-integrated billing platform with automated PDF invoice generation and Google Drive cloud storage, streamlining invoicing workflows.
- Built modular customer, product, and billing management components with secure authentication and role-based access control.

**Online Pet Care Shop** — PHP · MySQL

- Created a full-stack e-commerce site with shopping cart, order management, and admin panel backed by database-driven authentication and inventory control.

EDUCATION

**Master of Computer Applications (MCA)**

Sardar Vallabhbhai Institute of Technology (SVIT) | Gujarat Technological University (GTU)

*Currently Pursuing*

**Bachelor of Computer Applications (BCA)**

VP & RTP Science College | Sardar Patel University

*Jun 2022 – Jun 2025 | CGPA: 7.11*

CERTIFICATIONS & VOLUNTEER EXPERIENCE

- Data Analytics – LinkedIn Learning
- Web Development Internship Completion Certificate – Unified Mentor
- ISO Certification
- BAPS Volunteer – Organised large-scale community and cultural events; demonstrated leadership, coordination, and communication skills.
